

Important Information for visitors to Overwater Hall

Thank you for booking your stay with us.

In this day and age we are becoming increasingly accustomed to instant access to communication and information technology; however, please note that...

- * ***mobile 'phones do not work at Overwater Hall, nor on the approach to it, and***
- * ***due to our very large geographical postal code area, satellite navigation systems will not lead you to the hotel***

We strongly advise you, therefore, to find our location, and plan a route before starting your journey.

Most of our guests approach the hotel from the A591. This is the road from Keswick to Carlisle, and is marked in red on the map below.

7 miles along this road from Keswick take the right-hand turn signposted to Ireby, Uldale and Caldbeck.

Do not turn prior to this junction into the village of Bassenthwaite.

Overwater Hall is signposted to the right, around two miles after leaving the A591. Please contact us (01768 776566) for instructions from other directions, or if you get lost.

Have a safe journey. We look forward to welcoming you soon.
